The screenshot shows the LinkedIn 'Connections' page. The 'Contacts' menu item in the top navigation bar is highlighted with an orange box. Below the navigation bar, there are tabs for 'Connections', 'Imported Contacts', and 'Profile Organizer'. A yellow banner at the top of the main content area says 'Share your phone, IM and more with your connections. Update it now'. The main content area is divided into a left sidebar and a main panel. The sidebar contains a search box and a list of filters: 'All Connections (1036)', 'Tags' (with sub-items: classmates (254), colleagues (112), group members (108), partners (103), friends (59), untagged (400)), 'Last Name', 'Companies', 'Locations', 'Industries', and 'Recent Activity'. The main panel shows a large blue rectangular area where contact information is hidden. To the right of this area, there is a text prompt: 'Quickly view and organize your connections? Select a category or individual to see contact info, send a message and more.' At the bottom of the main panel, there is a link 'Export connections' which is highlighted with an orange box. An orange arrow points from the text 'Export Connections' on the right towards this link. The browser's address bar shows the URL 'www.linkedin.com/connections?trk=hb_tab_connections'. The Windows taskbar at the bottom shows the system tray with the date '9/13/2012' and time '8:29 PM'.
